

IMPORTANT DETAILS

Our mission is to celebrate the lives of those who have gone before us. The annual Wreath Program is a special service offered to families where we place wreaths at the burial site of your loved one. This is a great way to honor them during the holiday season!

Orders are due by **November 9, 2023**. Quantities are very limited.

To order: Visit the "Memorialization Options" page of our website: holysepulchre.org, return this form to Holy Sepulchre Cemetery (include credit card information or a check payable to "Holy Sepulchre Cemetery") or call by phone.

Please be considerate to our small staff and the very large size of our cemeteries. We place wreaths section-by-section and weather permitting. All wreaths will be placed by **December 15, 2023**.

WREATH INFORMATION

24" Fresh Wreath: \$50/each

Price includes the placement and the disposal of the wreath (at the end of the season). During the placement, we will secure wreaths on a steel stand. All payments must be received with your order to be valid.

Please be reminded that winter decorations are allowed from November 15th through March 14th. Removal of winter decorations begins on March 15th, in preparation for the busy spring season. If you would like to save your decorations, please pick them up prior to March 15th. If you are participating in the wreath program, you are purchasing a fresh wreath. These wreaths will be disposed of at the end of the season.

Thank you for your help in preserving the beauty of our cemeteries!
