MEMORIAL ADORNMENTS

Holy Sepulchre Cemetery and Ascension Garden truly are places to pray, reflect and celebrate the lives of loved ones. There are numerous ways in which to remember those interred at our cemeteries. Some choose very personal ways in which to display their love and memory. Others show their expression of faith, love and remembrance with adorning the memorials of their loved ones.

A number of beautifully crafted bronze religious plaques and emblems as well as ceramic photo emblems are available at Holy Sepulchre Cemetery and Ascension Garden. These memorials are available for mausoleum crypt fronts and mausoleum niche covers as well as outdoor columbarium niche covers. Emblems for all branches of the military are offered with proof of service, and police and fire emblems may also be purchased.

Ceramic photo emblems are available in black and white, color or sepia tone.
