TERMS & CONDITIONS

There will be a one-time fee for the use of the vases, provided there is on-going participation in the floral placement program.

All vases are leased, not purchased and the fee includes installation and maintenance of the vase. The floral arrangements will be selected by Holy Sepulchre Cemetery & Ascension Garden and will reflect the seasonal changes throughout the year. Any floral arrangement that the family may wish to keep should be picked up two (2) days prior to the season ending date. A new series of arrangements will be introduced each year.

A notice will go out each January as a reminder of renewal along with a new billing and information on updates or changes to the program, including floral arrangement type changes.

Where approved, vases are installed on the upper right or left corner of a crypt or niche front. In the event that emblems are already installed on a crypt front, a niche sized vase may be installed in

Holy Sepulchre Cemetery & Ascension Garden Vase and Floral Program

Honoring Loved Ones

Holy Sepulchre and Ascension Garden wish to provide a sacred and dignified final resting place for all of their interred while allowing family and friends to engage in common burial traditions.

Throughout history flowers have been placed upon graves or planted graveside to pay respect and honor the memories of the departed. Holy Sepulchre and Ascension Garden offer the same tradition for those laid to rest in our mausoleums with seasonal artificial floral arrangements.

This service is provided on an annual subscription basis with a onetime fee to lease the required bronze mausoleum vase.

Floral Program

There is \$200 crypt vase fee and a \$100 cremation niche vase fee which includes the installation and continual maintenance of the vase.

The yearly floral program subscription cost covers 4 seasonal artificial arrangements that are selected and installed by Holy Sepulchre and Ascension Garden to remember loved ones and elegantly enhance the appearance of the crypt or niche front.

There are also mid-year subscriptions available at prorated rates.
