OUR HISTORY

In 1871, Rochester's first Bishop, Bernard J. McQuaid, envisioned a peaceful, prayerful and reflective garden-like cemetery in an environment that provided natural beauty and the assurance of a Christian celebration of life everlasting. McQuaid, considered a man of conviction and innovation, had a vision—to provide a cemetery for generations of Catholics for years to come—thus the opening and consecration of Holy Sepulchre Cemetery on Lake Avenue.

*Gather with family
and friends to
pray, to remember
and to celebrate
life everlasting.*

Over 140 years later, Bishop McQuaid's attention to careful planning and high standards continues, with two Holy Sepulchre locations: the first on Lake Avenue, and our newest cemetery, appropriately named Ascension Garden, near Mendon Ponds Park. The settings at Holy Sepulchre Cemetery and Ascension Garden provide the natural garden cemetery envisioned, as well as serene, prayerful environments to gather with family and friends to pray, to remember and to celebrate life everlasting.

YESTERDAY, TODAY & TOMORROW

Holy Sepulchre Cemetery's natural beauty and historic architecture has grown over the years, garnering both praise and acclaim. At the time of its design, the most notable gardeners, horticulturalists and landscape designers consulted to make Holy Sepulchre Cemetery the standard of excellence in cemeteries in Monroe County and the United States. Through proper stewardship over the years, the aesthetic beauty, pristine maintenance and architectural significance of our 300-plus acres continues. Today, Holy Sepulchre Cemetery offers many new sections, complimented by the magnificent architecture of Christ Our Light mausoleum. Holy Sepulchre is prepared to serve the changing needs of the community both today and tomorrow.

Ascension Garden, located on Pinnacle Road in Henrietta, was born out of the history and excellence of Holy Sepulchre Cemetery and the original vision of Bishop McQuaid. Consecrated in the Catholic tradition, Ascension Garden is located near Mendon Ponds Park and fits into the beauty of the rolling hills, wooded areas and tranquility that naturally exists there. Like Holy Sepulchre Cemetery, Ascension Garden provides family and friends a peaceful and prayerful environment to remember loved ones and to acknowledge Christ's promise of new life after death. Ascension Garden offers the community a place to continue family traditions or begin new ones.

PROVIDING CHOICES

Holy Sepulchre Cemetery and Ascension Garden are beautiful reminders of God's creations, with many settings that offer consolation and inspiration for family and visitors.

The cemeteries accommodate traditional in-ground burials as well as above-ground interments in beautifully designed mausoleums that are prayerful and reflective environments. The Christ Our Light mausoleum at Holy Sepulchre Cemetery and the mausoleum at Ascension Garden include a wide range of crypt spaces and dedicated rooms devoted to Saints. Both of these mausoleums provide large chapels for memorial services and personal meditation, as well as visitation areas.
