OUR DIFFERENCE

When you visit our cemeteries, you immediately notice the beautiful grounds and peaceful settings. Our focus on customer service and caring for our community goes well beyond that, however. The Holy Sepulchre difference means:

- Dedicated to the Christian burial of all members of the Catholic Faith Community and their family members
- Offering two locations to serve our community: Rochester & Henrietta
- Dedicated to maintaining sacred cemetery grounds at the highest standards
- Non-commissioned family service counselors offer assistance and comfort before, during and after interment
- Green Burial, an option that offers no interruption to the natural eco-system
- Climate-controlled mausoleums for your visiting comfort
- Opportunities to celebrate the lives of your loved ones through our monthly Mass of Remembrance and special events
- Interest-free payment plans when preplanning
- Special Veterans' and First Responders' sections with discounts to those who have served our country and community

When choosing a final resting place for you or a loved one, there are many options to consider. Pricing is very specific to the options available. The best way to make such an important decision is to tour, ask questions and see what best suits the needs you and your family may have.
