Season of Change: Retirements & Promotions

This season, we celebrated the well-earned retirements of three invaluable team members whose dedication and service helped shape our cemetery community. Debbie, Joe, and John brought decades of experience, compassion, and commitment to their roles. We thank them for their lasting contributions and wish them the very best in this exciting next chapter.

We're also pleased to announce the addition of David to our team, now serving as our In-Ground Memorialization Specialist. With his background as a funeral director, David brings a wealth of knowledge and empathy to his new role, further strengthening the care we offer to the families we serve.

We also celebrate continued growth within our team. Andrew has been promoted to a full-time field position, and Alex has stepped into the role of Operations Manager. Both bring energy, focus, and a strong commitment to service in their new positions.

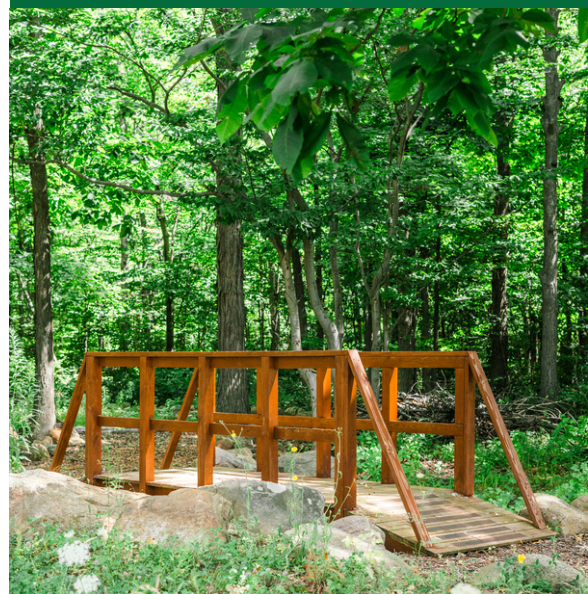

We're also excited to welcome back JJ and welcome Bill into the office after his time in the field. Both now serve as Gate Attendant/Above Ground Memorialization Specialists, and we look forward to the experience and dedication they bring to these important roles.

Congratulations to all!

Annual Wreath Program Now Open

As part of our mission to celebrate the lives of those who have gone before us, we're pleased to announce the opening of our Annual Wreath Program for the holiday season. This special service allows families to honor loved ones by having a wreath placed at their burial site.

Order Deadline: November 7, 2025

Quantities are very limited.

To place an order, please:

- Visit the "Memorialization Options" page at holysepulchre.org
- Or call us by phone

Please note: wreaths are placed section-by-section and weather permitting. All will be placed by December 12, 2025. We appreciate your patience and understanding as our small team works across our large cemetery grounds.

Thank you for helping us honor and remember.

TESTIMONIAL

"The empathy and professionalism showed to us during our time of need was exceptional. From the first phone call that was answered to the final day of putting our sister to rest, we can't say enough about the assistance and patience shown. Thank you."
